

2013 PROJECT OF THE YEAR

awarded at the
PDCA 2014 Annual Conference
April 2 – 4 in St. Louis, Missouri

2013 PDCA Project of the Year Award

Putting Excellence to the Test!

Entries are to be received by **Monday, February 3, 2014**.

All entries will be displayed at the PDCA Annual International Conference and Expo 2014, April 2-4, 2014 in St. Louis, MO.

Winning entries will be announced at the 2014 PDCA Annual Conference Business & Awards Luncheon.

Sophistication of the presentation is not part of the judging, but completeness in addressing each of the criteria outlined in this form is essential.

General Requirements

The competition is open to all PDCA contractor member projects completed from January 2013 through December 2013. Entries must be submitted by or with the permission of the principals or officers of the firm. The dollar categories for project entries are based solely on the dollar volume of the piling contract. Entry categories include Land-Based and Marine-Based projects. Each category is divided into four contract dollar volumes: Less than \$500,000 / \$500,000 - \$2M / \$2M - \$5M / Greater than \$5 Million.

Every Entry Must Include

Complete Entry Form. Use original form or download and print one from the PDCA web site, www.piledrivers.org.

Fee: \$100.00 per entry and must accompany entry form.

A Project Narrative is to be submitted no later than **Feb 3, 2014**. This narrative needs to explain in reasonable detail **WHY** the project should receive a Project of the Year Award in its category. It should also include **HOW** the entry meets three or more of the following criteria:

- Meeting the challenge of a difficult job
- Innovation in construction techniques, equipment and/or materials
- Unique application of piles or design considerations
- Construction problems and creative solutions
- Cost saving measures such as value engineering
- Innovative project management
- Design changes from other deep foundation or earth retention systems to driven piles
- Management or mitigation of environmental considerations

How to Submit

All entries must be submitted as an electronic copy.

Entries should include color photos (300 dpi at 3x5 or larger). Photos should highlight the construction process including the finished product and pile driving/project progression. These photos must be titled and have an accompanying document explaining each photo.

Entries may also include letters of recommendation, list of accommodations earned, media and web coverage, or other supplemental material as you feel appropriate.
