PDCA Project of the Year Award 2015 – Open to *ALL* PDCA Membership Categories

The Communications Committee, responsible for promoting the PDCA Project of the Year Award, has changed the format for 2015. The process is still very simple, but in 2015 the Project of the Year Award will be open to ***ALL*** PDCA membership categories, including Contractors, Associates and Engineering Affiliates.

There will be an entry form specifically for Contractor members and another one for Associate and Engineering Affiliate members. Entry forms and participation requirements can be downloaded by clicking on the appropriate link below. Be sure to submit your entry on the correct form – either as a Contactor or an Associate/Engineering Affiliate.

The deadline for submittals is ***Monday, February 2, 2015***. Don't delay, start considering today, all of the projects that you want to submit as a 2014 PDCA Project of the Year applicant. There is NO limit on the number of projects a company can submit.

Projects winners will be presented their award at the IFCEE 2015 conference during the PDCA General Business Breakfast Meeting, on Friday, March 20, 2015.
