

PDCA 2010 “PROJECT OF THE YEAR” AWARD

The PDCA is proud to announce the 2010 “Project of the Year” award competition.

The PDCA is dedicated to acknowledging the hard work, ingenuity and commitment that goes into each project where driven piles are used in a deep foundation or earth retention system or utilized to solve foundation problems. This esteemed PDCA tradition recognizes excellence in driven pile projects completed by PDCA members in good standing.

Through the “Project of the Year” award, the PDCA has the distinguished opportunity to continue its long-standing and consistent commitment to recognize those PDCA members who demonstrate excellence in the process of providing solutions, services and products to the needs of the deep foundation and earth retention environment.

Project entries must feature projects completed in 2009. Project entries will be awarded in two entry categories and three dollar volume categories. The two entry categories are distinguished by either “Land-based” or “Marine-based” projects. The dollar volume categories are “Less than \$500,000.00, \$500,000.00 - \$2 Million, and Greater than \$2 Million. Price ranges are based solely on the dollar volume of the piling contract associated with the project.

For an entry form, click [HERE](#) or go to the PDCA website, www.piledrivers.org.

The PDCA is asking each of its members to consider submitting a project worthy of this prestigious PDCA award. Entry Forms can be found on the PDCA website, www.piledrivers.org. The *2010 Project of the Year Award* entry deadline is:

Friday, February 26, 2010

Winning entries will be announced during the 2010 PDCA Annual Conference and Expo, Coeur d’Alene, Idaho during the PDCA Business Luncheon on Saturday, May 8, 2010. PDCA will **NOT** reveal the winning entries prior to the luncheon.

Winning entries will also be featured in the following editions of the 2010 *PileDriver* magazines and on the PDCA website.

PDCA looks forward to receiving your entries – GOOD LUCK!
